
VELOVITA®
Love Your Life

A Community of Love and Lifestyle

We are a group of like-minded people from around the world who love what we do, helping others elevate their lives through total wellness, opportunity and fun.

A Mission and Vision of a Lifetime

Velovita® Mission:

To become the most LOVED company in our industry, we aim to create a deep connection with our Members and customers, who will truly fall in love with our products, compensation plan, and VIP service. Our focus is on delivering first-class service across the board, prioritizing quality and satisfaction over simply becoming the largest company.

Velovita® Vision:

Our vision is to be the premier company where every Member feels a lifelong sense of belonging and counts on our unwavering integrity, quality, and commitment to perfection. We strive to be the best in our industry, inspiring excellence in everything we do.

VELOVITA

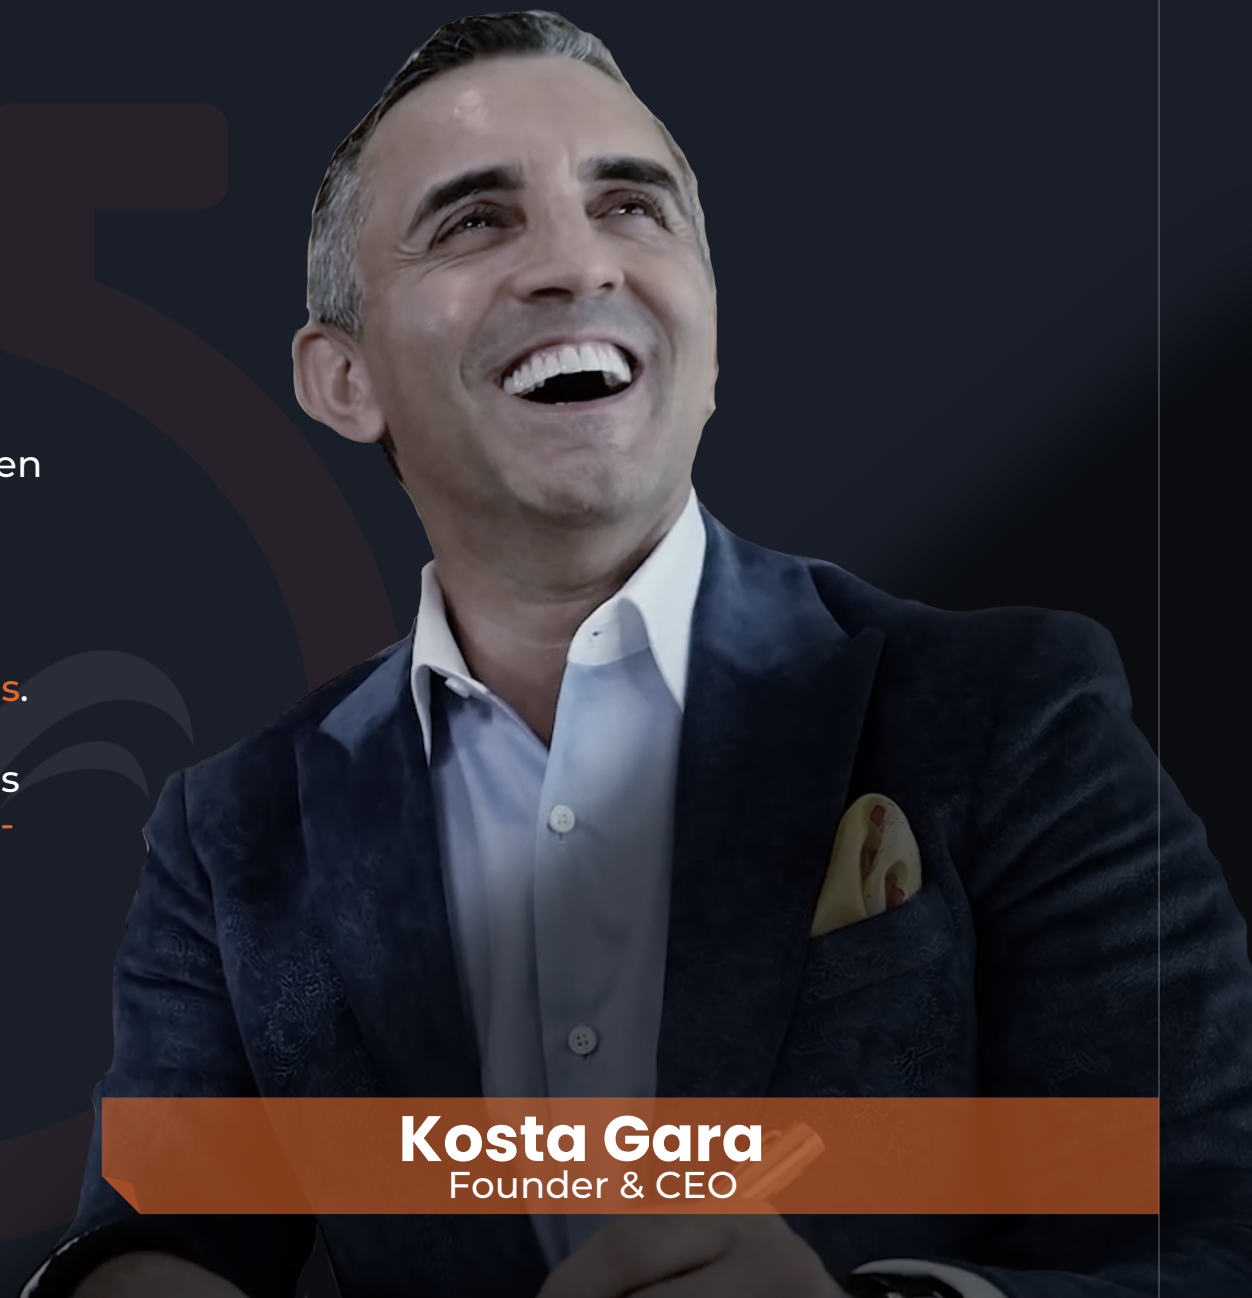

A Company Founded with Love

For more than 30 years, Velovita® Founder Kosta Gara has been a distributor, vendor and owner in the network marketing industry.

He has built teams with over 1 million distributors in over 50 countries and has achieved over $800 million in industry sales.

His unique and effective operational management skillset has made Velovita® a multi-hundred-million, multi-national, debt-free company built on a foundation of solid and lasting technologies.

Kosta's love for the profession and its community is not only why Velovita® was created, but why it is positioned to be the next multi-billion legacy company.

VELOVITA

Velovita® has a footprint in:

4 MULTI-BILLION DOLLAR INDUSTRIES

BEAUTY & SKINCARE

Face creams and moisturizers represent the largest product category, accounting for over 42% of skincare revenue and Asia Pacific is leading the global market with over 42% of the skincare revenue and leading the global market with over 51% market shares.

$194 Billion by 2032

WELLNESS INDUSTRY

With an annual growth rate of 7.3% globally, the wellness industry is expected to top $9 trillion by 2028. The growing focus is on preventative health and solutions.

$9 Trillion by 2028

WEIGHT MANAGEMENT

Expected to surpass $298 billion by 2030. The global weight management market is the fastest growing region due to the rise of synthetic injectables.

$298 Billion by 2030

ENERGY DRINKS

The market is experiencing a shift to sugar-free and natural ingredient-based options as health trends continue to focus on healthier alternatives to sugary drinks.

$125 Billion by 2030

VELOVITA

M1ND™

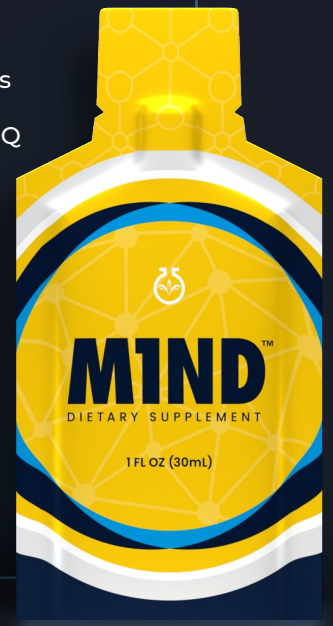

An Ounce of Genius

M1ND is a dietary supplement featuring clinically shown Meno-Q™ that supports memory and L-Theanine that helps reduce mental distraction.*

Discovered in the year 2000 by Korean researchers, CERA-Q was uncovered by breaking down silkworm cocoons into smaller proteins. The data from seven clinical studies shows that CERA-Q supports memory and recollection. Some of these studies showed statistically significant differences in memorization ability and word recall in 3 weeks.†

Memo- Q™

- •Exclusive to Velovita®
- •A protein hydrolysate sourced from silkworm cocoons
- •Some studies show statistically significant results in 3 weeks
- •Backed by clinical trials
- •Remember more names, facts and words*

VELÖVITA

tuün®

RESONATE

Biohacking Enhancement Technology

Living in Harmony With Electronic Devices

"tuün™, pronounced [tune], is a state-of-the-art wearable bio hack that contains our proprietary Biohacking Enhancement Technology (B.E.T.) designed to help you stay ""finely tuned"" amid a world of outward and inward stressors, including electromagnetic fields (EMFs) and other electro-smog that is ever-present in today's modern and convenience-oriented lifestyle."

"Electromagnetic hypersensitivity (EHS) is a phenomenon characterized by the appearance of symptoms after prolonged exposure to electromagnetic fields."

"SUCH SYMPTOMS INCLUDE:"

- Heating of body tissues and cells
- Increased free radical production in your body
- Chronic fatigue, headaches, brain fog
- Heightened anxiety

Consult with your doctor or other qualified healthcare providers before undertaking a new treatment, diet, or fitness program.

Biohacking Snaps

brān® reimagined
uüth® time reverser
plôs® something extra THERMO
byōm® remastered

Biohack Solutions for Your Everyday Life

Velovita® offers a collection of innovative “snaps” — small, liquid supplement packs designed to support your body and mind throughout the day. Each snap targets a specific area of wellness such as mental focus, quality sleep, skin health, weight loss, and gut balance.

These biohacking products are made with natural, high-quality ingredients and come in portable, easy-to-use packets that deliver quick results and great taste. They’re also vegan, keto-friendly, gluten-free, and non-GMO.

- **brān – Boosts mental clarity, focus, and mood for all-day energy*.**
- **uüth – Supports youthful skin, collagen production, and vitality*.**
- **plôs Thermo – Enhances metabolism and appetite control*.**
- **byōm – Balances gut health with probiotics for overall wellness*.**
